

JOIN WOMEN'S HEALTH DPG TODAY!

We are a group of registered dietitians, dietetic technicians, registered and students who are current members of the Academy of Nutrition and Dietetics.

Members address women's health and nutrition issues relative to the life stages that are unique to women including preconception, prenatal, postpartum, lactation and menopause.

Join us to stay informed of the latest resources, policies and research in the area of women's health, share expertise, expand skills, and participate in special committees and projects.

MEMBERSHIP BENEFITS

Networking

WH membership provides the opportunity to network with others who share common interests and expertise. WH hosts a member reception at the Academy's Food & Nutrition Conference & Expo and offers a member electronic mailing list to post questions and share timely communication on practice issues.

The Women's Health Report

Quarterly newsletter with cutting-edge professional articles that keep you up-to-date with the latest research and events in all areas of women's health. Access current and past issues in the Newsletter Archive.

Electronic Mailing List

Learn from the experts! Post questions and responses to others who practice in your area. Visit the Web site to learn more and find out how to subscribe at womenshealthdpg.org

Mentoring and Awards

Students and new professionals can pair with seasoned professionals to enhance skills and map out career pathways. WH offers awards to its members as well as submits member nominations for prestigious awards including the Academy's Medallion Award.

Web site and Social Media

Keep up-to-date with DPG events and learn more about specialty practice areas. Access links to Academy's position papers, professional resources, webinars, and the Women's Health Report newsletter. Connect with fellow members via social media.

OUR GOALS

Build an aligned, engaged and diverse membership

Proactively focus on emerging areas of women's health and nutrition across the lifespan

Ensure women's health issues are part of public policy and legislative agendas
